APEC SMART STEEL STRUCTURES
EARTHQUAKE RESISTANT

With its pristine air, unique location, rich history, natural beauty, iconic structures that symbolize Turkey, culture, high living standards, and increasing investment value, Yalova is the JEWEL OF THE MARMARA REGION.

With its naturalness, safe and tranquil living conditions, economy, and high return on investment, Yalova is the favorite of investors, as well as an ideal location for those who work in major cities such as Istanbul, Bursa, Kocaeli and seek a quality life away from chaotic city life.

Yalova, located just opposite Pendik district of Istanbul, is only 45 minutes away from Pendik Port. Getting to Istanbul via the Osmangazi Bridge takes only 1 hours...

Being less than an hour away from Kocaeli, another industrial and production city on the shores of the Gulf of Izmit, and its proximity to Bursa, which is also an old Ottoman capital and one of the largest industrial cities in the country, within 40-50 minutes, make Yalova the most preferred living center in the region.

With its natural reserves, clean air, historical and cultural richness, and modern lifestyle, Yalova offers an experience that refreshes the soul and rejuvenates the body, both for a quality life and for a profitable investment.
